Instructions for the Worksite Mentor(s) and Instructor(s)

The Skill Standards Checklist is a list of the competencies (tasks) to be achieved through mentoring at the worksite.

- The worksite mentor should rate each competency as the student acquires and demonstrates the skill according to the performance criteria.
- A competency may be revisited and the score raised as the student becomes more proficient at the worksite.
- The mentor and student should go over this checklist together on a regular basis to record progress and plan future steps to complete the required competencies.

I certify that this student has successfully completed the competencies required in my department. Circle your YA role, sign and print your name, and complete with the date and the name of your department.

Operational Program Notes for Skill Standards Checklist

1. Finance Youth Apprenticeship Curriculum

- Definitions:
 - Competency- The worksite skill to be performed
 - o Performance Standards- HOW the worksite will assess skill performance
 - Learning Objectives- Content knowledge to learn these skills; may be taught by the employer, school district and/or technical college.
 - Skill Standards Checklist- The documented list of competencies completed by the YA student
- Performance Standards & Learning Objectives are located in the **Program Guide for this Youth Apprenticeship.**
- 2. ALL Youth Apprentices MUST complete the Required Skills (Core Skills and Safety & Security) competencies for EACH UNIT they are enrolled in.
 - The Required Skills competencies may be completed concurrently with the Finance Unit technical competencies.
 - The Required Skills are common skills specific to all Finance sub-sectors. These skills are aligned with the National States' Career Clusters Foundations standards for the Finance Career Cluster.
- **3. Youth Apprenticeship choices** (depending on job placement)
 - Competencies have been reviewed by the Department of Workforce Development for Child Labor Laws. Contact the Department of Workforce Development's Equal Rights Division/Labor Standards Bureau at 608-266-6860 for questions regarding child labor laws.
 - Students will complete a MINIMUM of one unit for a Level One Finance YA and a MINIMUM of two units for a Level TWO Finance YA.
 - **NOTE:** Units within each Pathway build upon each other. Therefore, switching between pathways, after the successful completion of the first year, is allowable provided that the student begins the second year in the first unit listed under the NEW pathway choice.
 - The Department of Workforce Development Occupational Certificate will indicate "Finance plus the Name of the specific Pathway" attained when the program is completed.

4. Competency Ratings

- Rate the student on the competencies regularly and revisit the competencies with the student periodically to offer the opportunity for an improved rating
- Arrangements must be made to ensure that the student learns, practices, AND performs each competency even if that competency is not part of their regular job function
- "Entry Level" criteria should be interpreted to mean "able to do the task satisfactorily."

Required Skills

Required of ALL Finance YA Students
